Tune-Up & Dog Social Skills Classes

These classes are a great opportunity to work your dog amid a variety of distractions. The structure of these classes is similar to our Off-Lead classes, except the dogs are always on lead. The dogs are worked together for approximately one hour, and the goal is to work through various behavior and obedience problems. Leash aggression and socialization skills are the main focus. It is a fun class and a bargain at \$5.00 per dog drop in charge.

Classes are held **Mondays 6:30 PM** and **Saturdays at 1:30 PM**. Come on out for it. You'll be thrilled with the results in your dog.

This is a class you won't want to miss.

Cedarwoods will be closed over the Christmas Holidays, from December 23rd, through January 1st. We will begin classes again on Thursday, January 2nd, 2003. Classes that are cancelled during this period will be added to the end of the eight weeks.

Would you like some individual help?

Do you feel you could use some private instruction with your dog? Often this added personal attention can take you and your dog to a new level in your obedience training. We'll work with you, critiquing your handling skills, helping you organize your training schedule so it will be more productive. This is a good opportunity to work on those problem areas you and your dog are experiencing. It is a fun and productive time together.

The cost for this added instruction is \$15.00 for currently enrolled dogs.

Call Carol or Sam for more information. 384-6955

Doggie Day Care

Doggie Day Care is also available for your dog. He will have four exercise play times each day with the other dogs. This is always supervised and is in the enclosed play area. We also have crates available for their rest times. Bring their favorite blanket if you like and they are guaranteed a good time. The cost is \$12.00 per day. Due to limited space, call for reservations early.

Day Training

Leave your dog for Training and Play Time at Cedarwoods. We will work on any specific problem area of Basic or Off-Lead. We can also tune them up for test day. The cost is \$17.00 per day. This is a great opportunity to polish up those few troublesome areas. Talk to Ron or Sam if you have any questions. Space is limited so please call for reservations.

~ BORROWED ITEMS ~

If you have borrowed either equipment or books that you are finished using, please return them so that we may continue the practice of sharing these resources.

Merry Christmas

We extend to you our best wishes for a very Merry Christmas and a Happy New Year! It is our hope that the happiness and joy our family enjoyed this year will be present in your lives throughout the coming year.
